

**GLASGOW
COMMUNITY
FOOD
NETWORK**

Report on Activities March 2021 – April 2022

Covid Response Project

- Delivery of healthy, high quality produce to organisations across Glasgow who were working on the 'frontline' - providing food and other necessities to people and families in need.
- Reached over 30 organisations and hundred of people needing emergency food.
- Worked in partnership with Glasgow University, The Space, FareShare, Glasgow Community Transport, GreenCity Wholefoods.

Covid Response Project

- 5 Community Response Officers placed with host organisations: Govanhill Community Development Trust, Partick Thistle Development Trust, Empowering Women for Change, Glasgow Eco Trust and Cranhill Development Trust.
- Researching and facilitating hyper local food networks and projects that supported community development.
- 'Glasgow, Tackling Poverty With a City Plan' report published in December 2021 with recommendations.

WE'RE RECRUITING VOLUNTEERS!

Do you live in Govanhill?

Interested in local food?

Have you struggled to afford or access food during the pandemic?

GCFN & GCDT ARE RUNNING A COMMUNITY-LED RESEARCH PROJECT DISCUSSING FOOD IN GOVANHILL DURING COVID.

YOUR INPUT WILL HELP INFORM THE LOCALITY PLAN FOR GOVANHILL AND FOOD STRATEGY FOR GLASGOW.

TAKE PART IN A SERIES OF 6 ZOOM WORKSHOPS STARTS THURSDAY 13TH MAY

COP26 and Urban Agriculture

- FCA team reached over 630 people through workshops and collaborating with 87 partner organisations
- Partnered with Sustain through their Fringe Farming project – looking to change the policy landscape and increase urban and peri-urban farming.
- A project with Central and West Integration Network for BME Women on a agroecological learning journey.

Glasgow City Food Plan

- 2 years of collaborative work culminated in launch June 2021: 6 themes, 76 actions, 10 years and over 100 organisations involved.
- GCFN is the lead for Community Food and Urban Agriculture.
- We also host the Sustainable Food Partnership Coordinator post as part of our ongoing commitment to the Glasgow Food Policy Partnership.
