

## Cost of Living Supports for non HSCP Partner Organisations

This directory provides easy access to available supports across Glasgow, clearly presented under the following themes: **Food Supports, Money Advice Supports, Energy and Fuel Supports, Crisis Supports, Specific Population, Housing/Legal Supports, Practical Supports, Support Directories and Helpline Supports.**

This directory is designed as a signposting tool for non HSCP partners working within local communities, helping direct citizens within Glasgow to the right supports for them. **This complements existing sites of information nationally and in the city e.g., Glasgow HELPS and HSCP Your Support Your Way.** It is an interim time limited directory which will become redundant once all existing cost of living supports are featured within the aforementioned sites. This list is not exhaustive. The directory will be reviewed on a six-monthly basis. Please contact Shona Rae at [shona.rae@ggc.scot.nhs.uk](mailto:shona.rae@ggc.scot.nhs.uk) with any updates.

The inclusion of organisations within this directory should not be taken as an endorsement by NHS GGC, who also hold no responsibility for the content provided by the 3<sup>rd</sup> party organisations listed.
